

REAL-TIME TRAINING
AND CERTIFICATION

Certification ID: AlprodLar21MayCert3984cilsad

This Certificate of Completion Is Awarded To:

Adrian Umbreit

has successfully participated in the live training “KI Masterclass” on May 21, 2026. The session delivered a comprehensive introduction to artificial intelligence tools and their practical application across studies, career entry, and personal projects. Participants explored how to leverage leading AI tools to work more productively, efficiently, and strategically — from academic tasks to professional workflows. Attendees gained hands-on competencies for integrating AI into their everyday routines and learned how to use it as a decisive advantage in a competitive environment. These skills lay a strong foundation for a future-ready career in an increasingly AI-driven world.

AI MASTERCLASS
